— AN ISSA CHARITY —

Clean Homes for Cancer Patients™

## Everyone knows someone who has been affected by cancer.

Over **2 million** people are diagnosed with cancer in the United States and Canada each year.

A clean home provides patients and their families with hope, relief, control, and cleanliness.

We're here to help. Apply for our services at [cleaningforareason.org](https://cleaningforareason.org).

## Cleaning for a Reason

By partnering with residential cleaning companies in the United States and Canada, we provide clean homes for cancer patients. Any woman, man, or child in active treatment may apply.

Our services include:

- Two free home cleanings for patients currently in treatment for cancer
- Cleanings performed by local professional residential cleaning services

## Get Involved

Our services would not be possible without the generosity of our partners and donors. Cleaning for a Reason also offers fundraising and corporate Volunteer Days of Service to organizations interested in partnering with Cleaning for a Reason to support their community.

If you'd like to make a gift in honor or in memoriam of someone, or if you're a cleaning company that would like to donate services, please go to [cleaningforareason.org](https://cleaningforareason.org).
